

	Do you plan to go to Italy on The Classical Summer Program in summer 2025? Or did you attend the summer 2022 or 2023 program?	
	Why are you and your family interested in having an Italian exchange student stay with you?	
	Do you have any scheduling conflicts of which we should be aware? Please explain.	
	Please give the full names and birthdates of all adults who will stay in the house during the hosting period. We will run a basic background check to make sure no one is a violent criminal or listed on a sex offender list. (This information is 100% confidential.)	(List here below and/or asterix and detail above)

I have completed the above application and am willing to provide a safe and comfortable home for my Italian exchange student in addition to meals and transportation for the extent of his/her stay. I understand that on occasion group photos from this exchange are used in publications and/or presentations, and I give my permission for my photo to be used in this instance.

Student Signature

Host Parent Signature

Date

Due to a limited number of hosts needed, the following order of priority will be implemented, as necessary:

- 1) those going to Italy on the Classical Summer Program 2025
- 2) those of fitting age* & gender* (i.e. sophomores/juniors)
- 3) those who get this application in by May 15
- 4) Latin students (2024-2025 schoolyear)
- 5) Global Studies certificate candidates

*Our Italian guests are mostly 16 and 17 years old, and there are more females than males.

Thank you for your willingness to host an Italian exchange student. I think you will find the rewards of hosting are immeasurable, and life-long friendships are formed. If you have any questions about the Italian exchange program, contact Mrs. Ann Maclean at amaclean@highlandschool.org. Please turn in this application to her by email or in person.
